FOR AN ACTIVE SUMMER

OPENING OF THE NORDIC FITNESS SPORTS PARK ON 17 June 2006!

Now there's a new way of exploring Levi fell! A 113-km network of different trails and routes marked with international symbols lead you in and around Levi on variable terrain. All you need to do is to choose the level of your own adventure route – blue, red or black – to suit your physical condition and state of mind. The trail starting points are located at the foot of the Front pistes, at the Gondola ground station, and at the foot of the north-east pistes.

Our Nordic walking instructors, who have been trained and authorized by the International Nordic Walking Association (INWA), will offer you guidance on the appropriate technique and the tour at the Levi Nordic Fitness Sports Park. For groups of 4 to 20 persons 90 min lesson costs 100 €/ group and 180 min lesson 180 €/ group. Private lessons are available upon request. Be sure to make your reservation by noon on the day prior to your desired lesson at +358 16 641 246. Nordic walking sticks are conveniently available at the rentals located at the Front pistes and at the Gondola.
